

## Serving Entrepreneurs and Small and Medium Sized Companies

- Information, business advice and development of a Business Plan for entrepreneurs and Small and Medium Sized Businesses.
- Comprehensive business advice and administrative processing service via the Ventanilla Única Empresarial, VUE, (a comprehensive service for entrepreneurs).
- Advanced technical advice via the Ventanilla de Economía Social y de los Autónomos de Madrid, VES, (a service for social economics and freelancers in Madrid) for new projects or associate work companies and freelancers.
- Conferences for the awareness and promotion of entrepreneurial spirit in secondary education centres, Professional Training centres and Universities. Practical and free seminars on business opportunities, improvements to management environments, commercialization, business innovation, sources of financing, etc.
- Construction and management of Business Incubators in the least favoured districts of the city, where business projects can be gestated and monitored during their early years.
