

Welcome to Madrid

Hotel Clement Barajas, in the Airport / IFEMA area of Madrid opened its doors in 2005 for very specific type of guest: visitors coming to the trade fairs and conventions and those who need a place to stay due to their flight connections. This modern and functional hotel was built with these guests in mind.

For that reason, its location could be no other than the surroundings of Barajas Airport and the Recinto Ferial Juan Carlos I (IFEMA Trade Fair grounds). The hotel has an added value: its service. In this sense, restaurant Miravalles is a sure bet. Its menu offers a traditional Asturian cuisine with natural produce and high quality, specialized in wild fish and seasonal seafood.
