

Welcome to Madrid

Hotel Meliá Princesa is one of those ideal hotels for visitors wanting to discover the most authentic Madrid, as it is in the heart of the city, just a few steps away from Plaza de España and Gran Vía. Shopping lovers will also enjoy its prime location in the centre of one of the city's major shopping areas.

The hotel offers a relaxing plan to round off the day after a morning of shopping or sightseeing, with its indoor pool, spa and body care area with jacuzzi, sauna, solarium, Turkish bath and massage service, gym and a varied programme of activities. Built in 1967 and completely refurbished in 1998, the building combines innovation with the traditional luxury of grand hotels, and features exquisite furniture, marble floors, large Persian rugs and Chinese vases.

One of its major appeals is UNO by Meliá Madrid Princesa restaurant, specialising in Mediterranean signature cuisine. The bar area serves light but sophisticated snacks.
