

# NH Abascal

Hotel NH Abascal offers an exclusive combination that provides a four-star service to suit all sorts of guests. Its three major perks are location, in the Chamberí area and near to Paseo de la Castellana; a historical building, a former embassy, stately and built in neoclassical style, and thirdly, a carefully selected interior design, featuring an elegant and original touch and the latest in comfort.

The other star feature is its restaurant, which offers excellent cooking with regional influences and modern touches. Furthermore, the hotel has a terrace where guests can enjoy a cocktail or a glass of wine in a very sophisticated atmosphere.
