

Welcome to Madrid

You could say that the Hilton Hotel chain has literally landed in Madrid, only a few minutes from the international airport. The name of this chain has always been synonymous with elegance and impeccable service, and this hotel is no exception.

Hilton Madrid Airport has become the hotel of choice for business travellers, for its design, architecture, services and amenities. The hotel has business meeting and conference facilities covering a total of 1,700 square metres, making it an ideal venue for holding meetings, conferences and conventions.

The hotel is designed for both business and family trips. For the former it can provide audio-visual and office equipment, a business centre, conference rooms, modems, secretarial services, video messaging and video phone; for the latter, cots, kids' menus, high chairs and family packages.
