

Boite

Club with a predominantly gay atmosphere featuring **house and techno** music. The club is in the **Sol - Gran Vía** area and aims to recreate the spirit of the 1980s via the period's dance music, decor and lighting. It has been designed as a multi-purpose venue, where music ranging from flamenco to rock can be heard, and plays are sometimes performed. Designed with different tiers, it offers an excellent view from any part of the premises.
