

Welcome to Madrid

This legendary hall in the Arganzuela neighbourhood, founded in 1992, has offered thousands of concerts by renowned and emerging national and international artists, of the likes of Mikel Erentxun, Andrés Calamaro, Fito y los Fitipaldis, Vetusta Morla, Kiss, Radiohead or Bryan Adams, among many others. Originally, it was a temple for the flamenco world (indeed its name refers to one of the great Spanish flamenco singers, Manolo Caracol) and it opened up to more styles with the concert by Chavela Vargas in 1993.

After being closed for some time, the hall returned to the music scene in 2014 with a makeover and a refit of its facilities, enabling it to hold all kinds of events.
