

Welcome to Madrid

Just a stone's throw from Puerta del Sol, the Cardamomo flamenco house, maestros of the Spanish guitar and percussion, with prestigious flamenco singers and dancers offer their body and soul to the public with a unique, live show. Artists who have frequented this flamenco house include Joaquín Cortés, Enrique Morente, Estrella Morente, Jorge Pardo, Antonio Carmona, Ramón El Portugués, Tomatito or Raimundo Amador, among others.

This welcoming cheerful flamenco theatre-restaurant serves dinner 45 minutes before the show, with a selection of menus and tapas, all offering traditional Spanish cuisine of the highest quality, created by chef Alberto Azpillaga.

The Flamenco House boasts excellent quality sound and lighting, managed by its own professional team, which gives the show the embracing atmosphere required by flamenco: intimate yet vibrant.

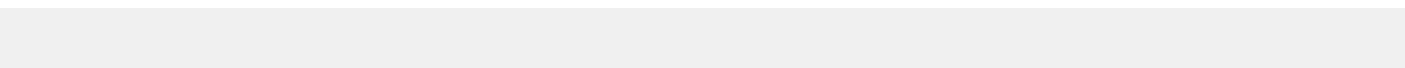

Cardamomo Tablao Flamenco is part of the Census of "Cultural Heritage establishments in the City of Madrid" and its flamenco show has been recommended by The New York Times.
