

# Café Berlín Madrid

This classic live music venue in Madrid is the perfect place to enjoy a drink and performances right through the night. Located in the venue that formerly housed the legendary We Rock club, it can hold up to 300 people and has a large stage, dressing rooms for performing artists, two bars, and a 70s style dance floor.

The drinks menu includes cocktails such as mojitos, margaritas, and even white Russians, as well as other more personal combinations such as the Lamborghini. As for the performances on offer, there are all kinds of concerts and gigs ranging from jazz to flamenco, funk, pop, and DJ sessions, as well as theatre, stand-up, and even cabaret.
