

Welcome to Madrid

The Palace de Madrid hotel is synonymous with luxury, elegance, distinction and excellent service... Since its opening nearly a century ago, it has become one of the city's most emblematic places: a symbol of the Plaza de las Cortes. Here you will find El Bar del Palace, where many Madrileños and tourists make a mandatory stop to enjoy a cocktail, coffee or aperitif in a distinguished ambience.

El Bar del Palace boasts an authentic British-style décor: armchairs and low tables, carpets, tall stools at the bar, a fireplace... It is famous both inside and outside Spain for its superb cocktails and, especially, its dry-martinis, which Hemingway made allusion to in "The Sun Also Rises". Live music puts the final touches to a relaxed afternoon or evening. An elegant ambience perfect for get-togethers, business meetings and cosy chats.
