

Welcome to Madrid

Located on the rooftop of the Fine Arts Circle, one of the most important private cultural centres in Europe, the Azotea del Círculo is a unique gastro-cultural project in a privileged setting thanks to its location, the beauty of the building and its views. Indeed, it is known as one of the best lookout points in Madrid.

The rooftop restaurant serves a series of Mediterranean dishes created by chef Manuel Berganza and his team.

To access the rooftop, the Fine Arts Circle has a lift with glass doors, on the top floor, providing direct access to this privileged space from the hall. Tickets can be obtained in the reception of the building.
