

Madrid Colón Grand Casino

El Casino Gran Madrid, located in Torreldones, also has a branch on the Prado-Recoletos-Castellana axis. The modern, avant-garde building is spread over four floors and includes gambling zones along with other entertainment areas and restaurants.

The main gaming room is on the ground floor and here you will find gaming tables, machines, and a café-bar known as the Bond Bar. The lower floor is home to another gaming area and the Rhum&Rhum Bar. The mezzanine level is reserved for the Mandarin restaurant, which takes diners on a gastronomic journey to Asia by fusing the culinary traditions of Japan, China and Thailand with Spanish products. Next to this restaurant, there is an area for after work drinks, destined to be a hotspot in the evenings. The lower floor has a private games room and the private staff area.
