

# Welcome to Madrid

**This is one of the most luxurious and exclusive clubs in the city, located close to the Paseo de la Castellana, in a very popular nightspot. Standing on the site of the once famous Madrid MOMA, it is currently the place to enjoy the city's most VIP moments.**

Opium Madrid is ideal for events, since it has two large rooms with private areas and a restaurant that offers dishes made using the finest seasonal ingredients. As for the music, one of the rooms, known as the Main Room, plays a mix of house and dance, whereas the Purple Room plays chart hits and pop music.
