

Asador Donostiarra

This is probably the most representative Basque rotisserie in Madrid, and the most famous. It is often visited by celebrities, especially players and fans of Real Madrid, who usually celebrate their victories here. Mesón Txistu is under the same ownership, a synonym of quality, which makes it one of the most popular restaurants for social gatherings in the capital.

On its menu, the most traditional and genuine Basque cuisine, such as top quality red meats and fish, prepared by Pablo Caridad Barbolla with exquisite taste. This typical Basque restaurant only has the best to offer for those with a discerning palate, not only for the quality and preparation of the ingredients used, but also for its diligent service and its excellent atmosphere at a space managed by Pedro Abrego.
