

# Welcome to Madrid

**From its opening in London in 1971, Hard Rock Cafe is known for serving authentic American food and great cocktails with a friendly service and an atmosphere bursting with energy and Rock 'n' Roll. It became a meeting point for all ages with quality music and videos, special events, live music and the Rock Shop with collectible fashion and music-related merchandise.**

They also offer their famous cocktails, and is not just a restaurant and Rock'n'Roll museum, but also a meeting place inspired by music.
