

Welcome to Madrid

This Indian restaurant has meticulous decoration that provides an exquisite atmosphere and a menu that aims to be original; it certainly does not have the same old dishes as always, but innovates wherever possible.

That is why it includes such unusual dishes as prawns with honey and sesame seed, or the *reshmi* kebab (chicken sausage marinated in herbs and spices) or the *achari baingan* (aubergine curry). The desserts are highly recommended here, such as Indian cake or mango *lassi* (yoghurt drink) and *kulfi* (ice-creams).
