

Casa Mono

This lovely bar and restaurant with a New York feel at the Argüelles neighborhood, divided in several areas, offers a varied Mediterranean menu that combines modern with the traditional.

The restaurant is divided in five different spaces: a traditional bar, perfect for a snack without the need for a prior reservation; the cocktail bar, located at the top floor, with low tables and designer armchairs that give it an elegant and sophisticated feel; a terrace; the restaurant; and a private area for up to 12 people.

The menu includes home-style Mediterranean and other more international dishes.
