

# Welcome to Madrid

**A Galician restaurant providing magnificent traditional and market cuisine, very close to El Retiro Park.**

So the basis of what O'Grello provides is to do with the meticulous selection of fish, meats and shellfish. Here they work mainly with fish and shellfish from Burela, an important fishing port on the Cantabrian Sea. The restaurant's star dish is its tuna and hake roll with sea urchin sauce. Rice with lobster also figures amongst its favourite dishes, along with *zamburiñas* (scallops), shellfish croquettes, *xoubas* (small pilchards) with Padron peppers (a variety of pepper from Galicia), octopus and more.

And lastly, their homemade desserts deserve a mention, which have to include *filloas* (Galician pancakes).
