

# Welcome to Madrid

In the Malasaña district, an area with a large concentration of 'tapas' bars, restaurants and places to visit in the evening, El Circo de Tapas offers just what it describes: tapas. As well as the food and drink on offer, attention has been paid to the décor, which is highly original, appealing to young people and with the aim of persuading them to make this one of their favorite haunts for a night out and a place to enjoy some tapas.
