

# Caripén

**Genuine French cuisine, plus Art Nouveau décor.**

This curious venue was once Lola Flores' flamenco bar and has tried not to lose its traditional air despite the French inspiration. That streak appears, for instance, in the opening hours that extend long into the early hours of the morning, for customers who are not fans of early bedtimes. Daniel Boulé Frenchifies Spanish dishes and prepares delicacies such as the duck magret

## Services

Abierto hasta tarde

Carta en otros idiomas

## Complementary services

Admisión de tarjetas de crédito

Comida por encargo / para llevar

Carta de vinos selectos

Reserva de mesa
