

Casa de Campo Trade Fair Park

It is a perfect location for fairs and conferences as it is situated inside the Casa del Campo, the biggest public park in Madrid, only a five-minute drive from the Plaza de España.

Within easy reach by metro and bus, the Casa de Campo Trade Fair Park occupies a total of 67 hectares, 40,000m² in the open air and 33,000 m² indoors. It comprises a collection of separate spaces of different characteristics giving it the flexibility to adapt to any kind of event. There are pavilions of between 1,500 and 20,000 m² and rooms of between 100 and 2,500 m²

Although it is mainly trade fairs and professional conferences that are held here, it is worth keeping an eye on its programme of events as it occasionally hosts large scale art or history exhibitions, concerts, sporting competitions and events for the general public. It has a theatre-auditorium and runs the Puerta del Ángel Stage, also in Casa de Campo, which hosts open-air events in July and August as part of the Veranos de la Villa programme.
