

# The Magic Forest

The Magic Forest is the Kinépolis Madrid children's park where kids can have a good time sliding down numerous slides, hiding in never-ending labyrinths or climbing gigantic trees. Furthermore, it is a space that has been designed to host birthday parties as it has a restaurant with various children's menus.

In spite of being a space for children, parents also have an area for them, where they can wait for their children whilst reading a magazine, watching television or surf the net thanks to a free Wi-Fi service.
