

# Sienna Helados Italianos

For some, this is one of the best ice cream parlours in Madrid. Located in the centre of the Salamanca district, it has been sweetening the lives of residents and visitors alike for many years. There are over thirty creamy flavours to choose from, all made with natural ingredients.

As a local ice cream parlour, its prices are very reasonable, although the quality is excellent. Horchata –a tiger nut sweet cold drink-, ice cream cakes, crushed ice drinks –granizados-, milkshakes and other frozen desserts are also available. Open all year round.
