

Cremieux

Madrid is home to one of the main stores of the French men's fashion house Cremieux. Created in 1976 and known by its famous logo of the number 38 on a shield, the store offers elegant sportswear including a wide range of blazers, chinos, jumpers, checked shirts or jerseys made from top quality materials (pure cotton, wool, cashmere..etc.), and finished with stylish brand designs. As well as being one of the "flagship" stores, this shop also offers Cremieux's most exclusive lines.
