

El Huerto de Lucas

Located in the heart of Chueca neighbourhood, this 450 m2 organic food market is dedicated to environmentally friendly, healthy eating. It boasts numerous stalls: a bakery, delicatessen, fruit and veg stand, a butcher's and poulterer's, a stall selling bean sprouts and juices, a tea and coffee stand and even an ice cream stall.

In addition to selling top-notch 100% organic goods, this traditional wholesale food market has a restaurant called La Cantina which is run by chef Javier Muñoz-Calero and serves simple but creative and sustainable food.
