## **Sportswoman Fair**

The t-shirts, bib-chip and runner's bag will be distributed at **IFEMA Campo de las Naciones** (Pavilion 14), on Friday 8 and Saturday 9 May from 10am until 8pm during the **Sportswoman** Fair, which will offer diverse activities in relation to the Women's Race and other charities. To get there, it is recommended to go to the Feria de Madrid metro station, which is a short distance from the venue.

Registration slips for physical registrations or an ID card or photocopy for online registrations must be presented.

## **I am going to walk the route**

If this is your case, remember that this year there will be a special starting line for all those who wish to participate walking (there is more than enough time to do it).

Go to the starting line along Paseo de Moret and Paseo Ruperto Chapí no later than 8.30am. In this way, we can ensure that those who are going to run can set off in their time schedules (less than 30min, less than 40min, less than 50min...).
