

# Welcome to Madrid

**The fair gathering antiques, artworks and collectibles is coming back to Madrid once again this year with more than 12,000 items. Collectors will find thousands of reasons to visit the Christmas Market: vintage pieces from the 1960s to the 1980s, archaeological pieces, paintings and miscellanea.**

Also, you'll find pieces of furniture from different styles and periods, such as tables, chairs, stools, trunks, mirrors, home bars, lamps, desks, etc.

And there'll be room for the visual arts too: still lifes, Romantic portraits, Gothic sculptures and paintings by renowned contemporary artists.
