

Welcome to Madrid

The Mercadillo del Gato, popular for its elegance, is once more opening its doors, where over 60 exhibitors from different origins will offer select products related to fashion, handcrafts, gourmet food, decoration, accessories, children's fashion, cosmetics, costume jewellery and collecting.

The capital's most famous pop up market is returning to offer unique items to the public, such as a natural flower trapped in a necklace, an exquisite snack, an impeccable suit, a vintage dress, a luxury bag or a silk scarf with reproductions of works by the best painters of the 19th century.

Furthermore, the Mercadillo del Gato has a Gourmet Area served by the Hotel Westin Palace, GastroGato, to have a snack or a drink or purchase exclusive products.

The objects presented to the public on the diverse stands will change in forthcoming editions to offer a different experience each time.

Forthcoming editions 2020: New dates to be confirmed
