

Welcome to Madrid

For yet another year, Cibeles CentroCentro cultural centre becomes one of the meeting points for the Christmas season. From 21 December to 5 January, a giant ice rink in an unparalleled setting can be enjoyed.

The Glass Gallery is transformed into a magical place where adults and children alike can enjoy ice skating on a rink of almost 400 m², next to a huge Christmas tree. The most enjoyable Christmas winter sport at Madrid City Council's headquarters.
