

Welcome to Madrid

The famous Irish, low-cost fashion brand has this huge five-floor building on the Gran Vía occupying a surface area of 12,000 square metres, which at the time of its opening, was the chain's largest store in Spain. The building dates back to 1924 where it housed the city's first department store, the Madrid-Paris Department Store.

Primark is one of the largest companies in the European textile sector, with around 300 stores in various countries throughout Europe and the United States.
