

# Welcome to Madrid

**Focusing on theatre, but open to all genres of the stage arts, Nueve Norte is conceived as one of the reference cultural venues in the Noviciado neighbourhood, in the heart of Madrid. It also offers all kinds of courses focused on the performing arts.**

Headquarters of the Materialmente Imposible theatre company, specialised in contemporary comedy, Nueve Norte seeks to be a social cohesion element, with a programme aimed at both adults and kids.

The room can be rented for presentations, courses, and events, as well as for rehearsals and exhibitions.
