

Welcome to Madrid

This pleasant restaurant and cafeteria, located in the natural setting of the Manzanares River (Madrid Río), boasts a spacious terrace from where you can enjoy some amazing views of the Royal Palace, La Almudena Cathedral and San Francisco El Grande Basilica.

The establishment is divided into three spaces: the interior lounge, the exterior terrace and a lookout point located on the upper floor.

At Café del Río, you can savour an affordable menu of the day, as well as portions and toasted sandwiches and home-made dishes that combine traditional cuisine with other more modern proposals. There is also an extensive menu of cocktails and gin&tonics.
