

Welcome to Madrid

This restaurant, located right in the heart of Madrid, in the district of Los Austrias, offers dishes based on traditional Spanish gastronomy but with contemporary inspiration.

The menu is made up of typical Spanish dishes and other that are less typical and more creative and innovative, created by the chef. They also offer a children's menu.

The restaurant is large and functional with a family feel. They offer group culinary workshops (reservation required), birthday parties and other kinds of events.

The basement has a private room with a bar where, depending on the program, you can enjoy shows and concerts.
