

Welcome to Madrid

This alternative theatre venue, located in the district of Arganzuela, mainly offers in-house creations, both in terms of the texts and the staging, with original proposals produced and managed by La Belloch theatre company.

The Performance Research and Creation Centre, La Belloch, first opened in 2013, and it is now a space dedicated to showcasing and researching the performing arts. It also opens its doors to other companies and groups interested in showing their projects.
