

Welcome to Madrid

Ciento y pico is an original space where tradition and modernity come together, which can host all sorts of events (press conferences, product presentations, exhibitions, shareholders' meetings, company breakfasts, showrooms, etc.), located in the heart of the neighbourhood of Malasaña.

The establishment has a completely open-plan design and an area of over 140 square metres, spread across two floors. It boasts a 600MB fibre optic projector, WiFi, truss lighting, over 50 lights distributed throughout the space at various heights and multifunction connections (HDMI/Audio/Video).
