

Welcome to Madrid

This restaurant, with its jungle themed interior decor, is the brainchild of Sandro Silva and Marta Seco, owners of other successful restaurants such as El Paraguas, Ten con Ten and Ultramarinos Quintín.

The decor at Amazónica whisks you off to a tropical place that is warm and fun, in keeping with its international cuisine that fuses recipes and dishes from different countries, from Brazil to Japan, Argentina, India, Peru, and China. The menu is not very extensive, but it has some real surprises such as the exotic spring rolls with mint sauce and other proposals that are just as appetising, such as barbecued bream or wagyu meat. One of the major appeals of this place is its jazz club, located on the ground floor, with live music every evening.
