

Welcome to Madrid

This family-run business, located close to the Retiro Park, offers simple, traditional dishes prepared in the old-fashioned way, but served with a more current presentation. The top-quality ingredients play the main part in the menu that is short, but selected and designed by two generations of chefs: José Luis and Sergio Martínez.

Taberna & Media is divided in two areas, the bar area and the restaurant area, and both offer the same menu filled with the best seasonal ingredients.
