

Welcome to Madrid

Following the renovation of its lake, the Casa de Campo Park will once again be hosting one of the season's international Triathlon World Cups. Organised by the Spanish Triathlon Federation, it is regarded as one of the toughest competitions of this discipline.

The triathlon consists of a swimming leg, followed by 750m sprint, a 21Km bike race and a final 5Km race on foot.

Open to just 800 athletes, the competition will kick off with a **Youth category event**(for athletes born between 2002 and 2004).
