

Welcome to Madrid

The Amicalia catering group is responsible for the Madrid branch of Arallo Taberna, an original and informal establishment that is led by the chef, Iván Domínguez, and which offers Galician dishes splashed with Asian and American touches, close to the Gran Vía.

Presided by a long bar with stools for 24 people, from where the stove can be seen directly, it has an industrial style décor, in which diners can savour informal fusion dishes designed to share, such as the sweet and spicy queen scallops, horse mackerel tartar with tomato-chilli soup or avocado with galo pibil and corn tortillas or salt-cured hake nigiri croquette, among others.

The room also has a small area with high and low tables, and an area that functions as a reserved area.
