

Welcome to Madrid

This small café is located in the Mercado de los Mostenses, a municipal market right by Gran Vía and Plaza de España. The owners of this café, Lily Xu and her husband Xiao, offer authentic Chifa (Peruvian and Chinese) food at a very good price, made using fresh ingredients bought daily in the Market.

The café is very small, with a metal bar and a few tables to sit down. Photographs are on display around the bar of the dishes on offer so customers can get an idea of what they are going to eat.

The menu features dishes such as stuffed potatoes, anticucho, ceviche, Peruvian fried rice (arroz chaufa) with chicken, stir-fried pork, and spicy creamed chicken (ají de gallina), served with Cusqueña and Cristal beer
