

Welcome to Madrid

The popular area of Ponzano has this taco bar where you can savour typical Mexican dishes, such as tacos, guacamole, burritos or melted cheese fondue.

La Chelinda has various establishments in Madrid. This one in Chamberí stands out for its simple decoration, with a long bar, various high tables and stools in the entrance and a cosy dining room to the rear, with low tables and brightly coloured chairs. The portrait of Chelinda, a Mexican heroine from whom the establishment gets its name, presides over the restaurant.

Diners can choose from a wide range of tacos (14 types) and burritos (9 types), without forgetting nachos, quesadillas or enchiladas. They can also choose different cocktails which are prepared at the bar.
