

# Welcome to Madrid

**Luis Negri specialises in unique handbags that are the epitome of contemporary luxury. The shop on Calle de Claudio Coello, in Barrio de Salamanca, offers the latest collections and classics like the bauletto as well.**

The brand's first flagship store, this boutique covers 150m<sup>2</sup>. Decorated in a neoclassical style, it features several separate rooms displaying the handbags and a ground-floor workshop where visitors appreciate the crafts involved in their making – sewing, upholstery, woodwork, and so on.

Before entering the world of fashion accessories, Luis Negri made violin cases, briefcases and suitcases on demand for private customers. The brand's hallmarks are rigid bags and sleek satchels with chain straps and golden or silver fittings.
