

# Welcome to Madrid

In the Castillejos neighbourhood, in Tetuán, you can find this restaurant specialized in Chinese food that has not been influenced by other Asian cuisines. The menu offers authentic Chinese dishes as if they were made in the streets of Shanghai, with original presentation and very affordable prices.

It is a place where the restaurant China Crown, one of the most famous Madrid's Chinese restaurants, has operated for thirty years. Now, after its remodeling, it has a modern decor based on wood, green color and plenty of greenery. It has an open-concept kitchen.

The menu includes dishes like crunchy Mama Shanghai Duck with almond sauce; crunchy Ku bak with chicken, seafood, pita pinta eggs; line-caught hake with kimchi and ginger and all kinds of salads, rices, soups, dim sums, noodles and brochettes. It also has a varied selection of cocktails and teas.
