

# Welcome to Madrid

**The Spanish language centre at Antonio de Nebrija University is one of the most trusted language schools worldwide.**

Centro de Estudios Hispánicos offers programmes for foreign students who wish to improve their Spanish language skills. There are courses for all levels, from intensive one week to university courses, language and culture, exam preparation and online courses. All the programmes include cultural and extracurricular activities. Students from all over the world come to study at this Spanish university, which ensures a truly international atmosphere.
