

Welcome to Madrid

The chef Jesús Almagros is behind this casual bar and restaurant located next to Puerta de Alcalá, a perfect fusion of a traditional bar and the culinary side of the famous chef. It has a short but eclectic menu that includes tapas, platters and more elaborate dishes that are somewhere between Mediterranean and signature cuisine.

The venue has a bar at the entrance, a small dining room in the back and a lovely terrace overlooking the Retiro. In both places they serve a la carte meals or set daily menu on workdays for €16.50. They also serve special breakfasts, before lunch snacks, and music and drinks at night. They feature live music by Märgon every Saturday night.
