

Welcome to Madrid

The luxurious Bless Hotel Madrid, on Velázquez Street, is home to this restaurant by the famous chef Maritn Berasategui (10 Michelin stars) where he prepares traditional Basque food with avant-garde touches and using the top quality ingredients.

The restaurant can seat up to 90 diners and the design team has recreated the atmosphere of a historic Spanish taberna, using the yellow and red color palette typically found in a bullring and decorative details such as brocade curtains, cast iron lamps, cross-stitch patterned ceramic tiles and textured amber crystals. The central dome, preserved from the original building, gives plenty of natural light.

Characterized by his hallmarks of creativity, innovation and a deep understanding of how to marry diverse flavors and raw ingredients, the dishes on offer are a reflection of Berasategui's 43 years of extensive experience in the kitchen and his wide culinary repertoire. The wine menu boasts 200 references of both traditional and more modern wines.
