

Little Mix

The British girl band returns to Spain with one and only concert in Madrid after announcing their 2019 European tour dates that will be included in their The LM5 Tour. A tour where the band will perform the hits from their last album *LM5*, like *Woman Like Me*, apart from their other smashing hits like *Shout Out to My Ex*, *Black Magic* and *Touch*.

Britain's Little Mix are an exuberant, all-female pop and R&B outfit who shot to stardom after winning the eighth season of *The X Factor UK* in 2011. Featuring the talents of singers Jade Thirlwall, Perrie Edwards, Leigh-Anne Pinnock, and Jesy Nelson, Little Mix grabbed audiences with their highly resonant vocal harmonies and charismatic stage presence. In 2012, they released their first album *DNA*, with singles like *Wings* and *Change Your Life*, which peaked at number one in charts in the UK and Ireland.

It was the start of a successful career that left us with albums like *Salute* (2013); *Get Weird* (2015) that included the hit *Black Magic* that became their third number one hit in the UK; and *Glory Days* (2016).

Now they arrive to promote their fifth album *LM5* that includes 14 songs with a style similar to the essence of their R&B *Salute*, and featuring collaboration of artists like Ed Sheeran, Jess Glynne and Timbaland.

Their first single *Woman Like Me* features a collaboration with Nicki Minaj and it debuted on number 5 in the UK Singles Chart and the video for the song has had more than 130 million reproductions on YouTube and has received a Brit Award nomination for the Best British Video.

Having sold more than 45 million albums worldwide, they are considered one of the most important girl bands, the girls now embark on a new tour that takes them to countries like Italy, Austria, Germany, Netherlands and Belgium and that will be followed by another great UK and Ireland tour.
