

Welcome to Madrid

The most authentic flavors of the Cantabrian coast can be found in this Chamartin district restaurant, close to Plaza de Cuzco. The menu includes the best fish and seafood from the fish markets from Northern Spain, as well as top-notch meat.

The restaurant is divided into several dining rooms and an air-conditioned exterior terrace decorated with stone, steel and wallpapers combined with ceramic lamps and white ropes. The peaceful atmosphere perfect for a relaxing meal is accentuated with light colors and plenty of warm light.

The culinary offer is complemented with a varied wine list.
