

# Bryan Adams

Canadian singer brings you an evening full of rock as part of his new international tour where he presents the tunes from his new studio album *Shine a Light*. A concert where you will surely enjoy some of the greatest hits from an incredible back-catalog as well.

After his concert in Madrid in 2016, Bryan Adams is back strong presenting tunes from his last record *Shine a Light*. It is an album with twelve songs including a 70s Thin Lizzy cover *Whiskey in The Jar*, a song also covered by Metallica, and a special collaboration with Jennifer Lopez with the song *That's How Strong Our Love Is*.

After almost 40 years of career, the Canadian artist has left us with enormous hits like *Please Forgive Me*, *Heaven*, *Summer of '69*, and his collaboration with Rod Stewart and Sting with the song *All for love*.

His songs have also appeared in films like the famous *(Everything I Do) I Do It For You*, the soundtrack for the film *Robin Hood: Prince of Thieves* (1991); and the *Have You Ever Really Loved a Woman?* from the film *Don Juan DeMarco* (1995) that features the renowned flamenco guitarist Paco de Lucía and that received an Oscar nomination for Best Original Song.

Bryan Adams is one of the most exciting live musicians in the world and his energetic performance, effortless stage presence and incredible vocals are guaranteed to thrill and entertain.
