

# Welcome to Madrid

**Pablo Donoso, born in Argentina, is the architect of this vegan restaurant in the Lavapiés district, where you can enjoy a menu made up of 100% vegetable dishes, healthy and with all the flavour, made with fresh local products and top quality craftsmanship.**

Its small local, which allows access to animals, consists of a bar and several tables where you can savor their daily menu, weekdays, or dishes from a menu that varies often, which consists of proposals to share, salads, main dishes and vegan hamburgers, which can be accompanied by a wide variety of homemade sauces, desserts and artisan juices, beers, vermouth, organic wines and cocktails, with or without alcohol.

In addition, they have a space reserved for art exhibitions in constant renovation.
